

2017 INDUSTRIAL STORM WATER CERTIFIED OPERATOR RECERTIFICATION TRAINING SCHEDULE

Recertification training is **ONLY** for Industrial Storm Water (ISW) Certified Operators with a current certification number which is due to expire this year. Certified operators must pre-register with the appropriate Registration Contact for the desired training session. Before attending a training session, the certified operator should review the DEQ ISW webpage, specifically the following sections: the ISW Operator Training Manual and review exercise, the visual assessment tutorials, and the industrial activity specific controls section. Please bring a copy of the ISW Operator Training Manual and a copy of your current Certificate of Coverage to the training session. A current training manual can be downloaded from the DEQ ISW webpage at: https://www.michigan.gov/deq/0,1607,7-135-3313_3682_3716-24018--,00.html

Certified operators must bring a picture ID (driver license or passport) to the training session. Once the certified operator completes the training session the operator will receive a recertification application from the trainer. The certified operator will then be required to mail a complete recertification application along with the recertification fee of \$95 to the address identified on the application. PAYMENT IS NOT REQUIRED BEFORE THE CERTIFIED OPERATOR ATTENDS THE TRAINING SESSION. The training will take approximately 4 hours. **All training sessions start at 9AM.**
